## Action taken report on Feedback (2022-23)

The primary objective of conducting feedback from the stake holders is to get the actionable data to improve the teaching and learning requirements and infrastructure of the institute. This feedback survey provides a chance to the students, faculties, parents and alumni to share their views on curriculum, infrastructure and overall functioning of the college. In this regard, Feedback was conducted for the academic year 2022-23 through Google forms and the data related to various aspects of the college were collected from students (Undergraduate (UG) & Postgraduate (PG) students), faculties, parents and alumni. The suggestions and feedback provided by the stakeholders have been thoroughly discussed in the IQAC core committee meetings for possible implementation and action has been taken accordingly.
